- ~ Attendance reporting may be completed by going to the school website at www.faceschool.org, click on the appropriate form (Elementary E-Form or High School E-Form) on the front page. Printable forms are also available on the website. These can be printed and mailed to the school address above.
- ~ School policy states: "If attendance forms are not received for two consecutive months, the family is automatically withdrawn from FACE and will be charged a re-enrollment fee of \$25. If attendance forms are not received for three consecutive months, the family will be required to reapply, and will be charged full tuition fee."
- ~ Students should acquire 172 days per year at an average of 4 hours per day.

Testing:

- ~ Have your child tested or evaluated if they are in grades 3, 5, 7, 9, or 11th.

You will have the option of the CAT (California Achievement Test) or the ITBS (Iowa Test of Basic Skills), unless your student is being evaluated by a professional. You can also use FACE's resource for evaluation, which is less expensive than evaluators outside our group.

FACE Class Policies 2011/2012:

Facilities:

FACE classes are held at Northglenn Christian Church (NCC) at the corner of 105th and Irma in Northglenn. The church is very generous to our organization through the use of their facility. While on the church premises, all parents and children are required to observe posted signs limiting access to certain areas of the facility. FACE members are expected to show appreciation of the facility by maintaining its cleanliness, respecting church staff and accommodating other church events. Northglenn Christian Church is a blessing that must not be taken for granted. Please remember that we only use this facility for classes – if you have questions about FACE or our classes, please call FACE, not the church.

Registration and Tuition:

- **Class registration dates are noted on the Handy Reference Guide.** Signups will be accepted up to one week later, but will be assessed a \$10 late charge. No signups will be accepted more than one week late. This does not apply to first-time signups of new families.
- Classes are between \$22 and \$30 per four week session. There may be additional supply fees or other stipulations depending on the needs of the class (including class size limits). Refer to the signup sheet for this information. Payment in full is required at time of signup. Payments can be made via cash, check, credit card or Paypal. Classes are nonrefundable and students must continue with their scheduled classes until the next signup.
- Classes offer a wide variety of educational, spiritual, patriotic, moral and creative opportunities. **It is the parent's full responsibility to understand the class content and determine if the material is appropriate for his/her student and to ensure that you are in agreement with what is covered and discussed. Parents are encouraged to attend classes as often as they like.**

Visitors:

All visitors must check-in at the Main table, and may tour the facility with a representative from FACE. Visitors will be issued passes and may visit for a single day for observational purposes without financial responsibility. Visiting privileges are reserved for families who are possibly interested in homeschooling through FACE. Children enrolled in other schools may NOT visit classes due to lack of classes at their school, etc... unless there are extenuating circumstances. Non-FACE students are not eligible to visit, assist or enroll in classes.

Tuesday Arrival and Departure:

Tuesday school currently operates from 8:30 AM to 2:15 PM with occasional events offered in the afternoon. No students should be dropped off before 8:25 AM (or their first class), and all students must be picked up promptly at 2:15 PM. Arriving and departing promptly ensures the next scheduled event at NCC will run efficiently.

Adult Supervision Information:

- While parents do not have to be on the premises during classes, students are NOT allowed on the premises without adult supervision. This means that your child must be enrolled in a class or in close physical proximity to a supervising adult at all times. FACE is not responsible for children left unattended, and teachers are not responsible for supervision of children between classes. Parents must provide appropriate adult supervision to ensure the safety of their children during unsupervised non-class time. It is important that current cell phone/emergency numbers be on file with the school.
- It is critically important for students to be supervised at all times. Therefore, students are not allowed to wander or hang out in the hallways, fellowship hall, parking lot areas, or anywhere outdoors, unless accompanied by an adult. Students not enrolled in a class, and not under adult supervision, will be placed in Study Hall. Students should move from class to class without running, yelling, or horseplay, being considerate of others and respectful of the church property.
- We understand that sometimes a student just cannot find a class during a certain hour, or it is not financially feasible for a student to have a class each hour. In light of that, students will be allowed to be in Study Hall without charge, however, students must remain in fellowship area at all times. Failure to remain in fellowship area, or be in direct supervision of an adult, will cause the student to lose this privilege.
- If a student fails to follow these rules, (s)he will no longer be entitled to enrollment in classes.

Class Cancellations:

Should it become necessary to cancel classes due to inclement weather or a conflict with the church calendar (i.e. – funeral), every attempt will be made to contact you via email. Please check your email Tuesday morning for any last minute announcements about classes. Cancellations will also be announced on the school phone line at 303-426-8484. ***Please be advised that should classes need to be cancelled, there will be NO makeup classes and NO refunds.***

Classroom Behavior:

Students must show respect to the authority of teachers and FACE staff at all times. During passing periods students must move quickly to their next scheduled class without loitering in the hallways. Students should move from class to class without running, yelling, or horseplay, being considerate of others and respectful of the church property. Remember the church is conducting business while we are there. We need to share a true representation of homeschool families, our morals, responsibility, traditions, and our values.

What Not To Bring To School:

Electronic equipment including but not limited to Game Boys, gaming systems, CD players, MP3 players, laptop computers, or any other electronic device not intended for class purposes. Some of these items may be allowed in certain classes – it is at the teacher's discretion. Cell phones and beepers must be on vibrate, or off, and put away while attending classes. Inappropriate materials and activities such as tobacco, pets, cards, trading cards, hackie sack and role playing games are not allowed. Any paraphernalia deemed as a possible weapon, including, but not limited to, knives, pocket knives, imitation or toy guns, etc... There will be a "zero tolerance" policy in this area. If above items are brought to school they will be confiscated and held at the main table. Please help us maintain a creative and educational environment by observing this policy.

Health Information:

- At the time of admission, FACE must be made aware of any drug reactions or allergies via the Enrollment Application. It is also the parent's responsibility to make each teacher aware of said allergies.
- Children should not attend classes when one of the following occurs: the child's temperature is 100 degrees or higher, the child has diarrhea, or the child has vomited within the last 24 hours.
- When children have been diagnosed with a communicable illness (hepatitis, measles, mumps, diphtheria, rubella, salmonella, tuberculosis, giardia, shigella, etc.) and have been in contact with FACE students, the school staff should be notified as soon as possible. At the discretion of the director, your child may be excluded from classes for a period of time prescribed by the child's physician or the local health department. Your child's confidentiality is maintained. Parents are expected to report exposure to any communicable illness.

Emergency Care:

Emergency Contact and Emergency Care Authorization information must be provided at enrollment via the Enrollment Application. If a parent is absent, staff members will take necessary action with respect to emergency care.

Discipline:

- First Stage: Our policy at FACE is to use redirection, grace and courtesy. Redirection takes the student out of the difficult situation and presents new options and opportunities. Our understanding of normal development stages and allowing the student the room to grow through those stages are an expression of Grace. Courtesy is the method we use to model the civil, kind and friendly behavior that is desired from the student.
- Second Stage: When first stage discipline actions are not effective, a conference with the FACE director, parent and student must be scheduled to find a solution for the given problem.
- Third Stage: When the discipline program fails and the student is not responding, it is at the director's discretion to discontinue enrollment.
- We reserve the right, at any time, to withhold service.

Class Gatherings Outside of Classes

Some classes plan outings, parties, social events, make-up classes, etc... Parents agree to let their students attend these outside gatherings at their sole discretion and risk. FACE has no control over the leadership, supervision, location/facility or activities that are planned outside of scheduled classes and does not accept responsibility for such gatherings.
